Application	
Beam style	variable-spread, soft-edged beam
Suitable for	theatres, TV studios, architectural and commercial
	applications
Specification level	professional range
Beam angle	9°- 58°
Typical throw distance	2 – 20m
Electrical specifications	
Light source	230W LED, white
Supply Volts	100/260V AC single phase
Frequency / Current	50/60Hz – 1.17A @ 230V AC – 2,35A @110V AC
Power consumption	250W at full power
Cable/connection	 1,6m mains cable with fitted Neutrik powercon IN and OUT, supplied
Standards Compliance	EN60598-2-17, CE marked
Mechanical specifications	
Construction	extruded aluminium and steel sheet
Mounting & suspension	steel stirrup 12mm centre hole + DIN mounting.
Handle	rear
Weight/Packed weight	9,7 kg / 11,9 kg
Colour frame	metal, 185x185mm, supplied
Operational specifications	
Focus adjustment	screw focus with control at rear
Beam Shaping	using barndoor accessory
DMX channels / connection	1 to 3 ch / XLR5 connectors, IN/OUT
Colour	white, single source, no colour shift in fading
Dimming	from rear panel encoder or remote, 8 or 16 bits, via
	DMX
LED temperature	built-in sensor for real time monitoring
Ambient temperature	35°C max.
Fan speed control Fade curve	3 modes available: Silent /Auto/Constant 2 curves (linear, square)
LED Frequency	16KHz - Flicker free
·	
LCD display	set-up, amx, monitor, diagnostic
LCD display RDM	set-up, dmx, monitor, diagnostic integrated

 5600K

A high efficiency 230W led module featuring a PWM dimming power source harnessed in the high-specification optics of LDR fresnel spotlights.

Ideal in all applications where heat and energy saving are a concern. Its extremely accurate optics make it the obvious choice in theatrical sets, TV studios, commercial displays and architectural applications where an even, soft-edged beam is required. Standard delivery includes 1.5m mains cable with fitted Power-con and a metal colour frame.

All models in the Alba range are available in 3200K and 5600K white, RGBW and TW, in a choice of 3 finishes: black, white and silver, and 2 stirrups: manual and pole-operated
